Dental Assistant

Description

We are seeking a skilled and motivated dental assistant to join our team. The ideal candidate should have a passion for dentistry, excellent communication skills, and a positive attitude.

Responsibilities

The dental assistant will be responsible for assisting the dentist in all aspects of patient care, including but not limited to:

- Preparing patients for dental procedures
- Sterilizing dental instruments and equipment
- Assisting the dentist during procedures
- Taking and developing dental x-rays
- Educating patients on oral hygiene and care
- Maintaining patient records and scheduling appointments

Qualifications

- High school diploma or equivalent
- Completion of an accredited dental assistant program
- Current certification in CPR
- Strong communication and interpersonal skills
- Ability to work well in a team environment
- Knowledge of dental terminology and procedures
- Familiarity with dental software and computer systems

Job Benefits

Benefits & Salary based on experience and qualifications

Contacts

If you meet the above qualifications and are interested in this opportunity, please submit your resume and cover letter for consideration. We look forward to hearing from you!
